

Remarks

This Preliminary Amendment is submitted prior to receipt of a first Office Action in this application and is therefore timely under 37 C.F.R. §1.115(a). Applicant respectfully requests that claims 1-28, as filed, be cancelled and that new claims 29-82 above be considered prior to examination of this application.

The amendment to the Specification corrects two typographical errors by (1) adding the letter "e" to the word "on" to correctly spell "one-way" and (2) adding "n" to the word "an" before "an identification chip." No new matter is added by this amendment to the Specification.

A fee to cover the additional claims submitted in this Application is enclosed. An Information Disclosure Statement is also enclosed, as well as a Revocation of Power of Attorney and a New Power of Attorney. Should additional fees be due, the Commissioner is authorized to charge any additional fees which may be required, or credit any overpayment of fees, to Deposit Account No. 13-0019. A duplicate copy of this Authorization is enclosed.

Respectfully submitted,

Michael A. Molano
